

Youth Work Ireland

Membership Fees: How are Youth Work Ireland Fees calculated?

From 2014 the Membership Fee has been calculated based on the overall income which a Member Youth Service receives from the Department of Children and Youth Affairs in the preceding year (SPY, YSG, YIC, YPFSF 1&2 etc.) regardless of the administering body (Youth Work Ireland, ETB or CDYSB). No other income from other sources (statutory, corporate or private) will be included. The following bands will then be applied to the total DCYA income for each MYS as indicated below:

Total Incomes from DCYA (regardless of admin body)	2018 Membership Fee
Up to 250K	850 Euro
250-500K	1,700 Euro
500-750K	2,350 Euro
750K +	4,350 Euro

If then for example a MYS is in receipt of 800K from the DCYA the membership fee for 2018 will be €2000. A basic membership fee of €850 and a cap of €4350 have been set.

Associate Members. All Associate members will be charged a fixed fee of €350 regardless of income.
