

2017 National Schedule of Event

# Youth Work Ireland Week

Apr 22-29, 2017

Youth Work Ireland

## About Youth Work Ireland Week

Youth Work Ireland is the largest youth work organisation in Ireland. Through our network of clubs, projects, drop in centres, youth information centres, youth cafés, music, arts, citizenship programmes and other outlets, we promote an open, integrated and accessible approach to working with young people. We work to develop the potential of young people, and to strengthen communities in Ireland through quality youth services. Young people are at the heart of our organisation and we offer young people from all backgrounds a place to go, a listening ear and support if it's needed. The services are run by local people and the programmes are based on the needs of the local community. Positive relationships between young people and adults ensure that young people thrive and are on the road to reaching their potential as well rounded adults.

Youth Work Ireland Week, now in its sixth year, is a chance for us celebrate, come together and promote the work being done throughout Federation. Throughout the week hundreds of activities, events and programmes take place across Ireland.

## Equality17

The theme and focus of Youth Work Ireland Week 2017 is Equality and we aim to promote and highlight actions and initiatives amongst young people, in Irish society and within our own organisation, that support and build equality.

We also will be reaching out to thousands of young people, to hear from them, what it is like to be young and equal in Ireland in 2017. A national arts-based activity '[Stories of Equality](#)' will take place in all youth services during Youth Work Ireland Week, and will involve young people sharing their stories of what it is to be young and equal in Ireland in 2017. This activity will create a shared understanding of equality, and raise awareness of equality challenges young people face in Ireland.

## Programme of Events

This programme of events will give you a brief overview of the types of events, activities and initiatives that take place across Ireland during Youth Work Ireland Week. Please contact the local member youth service for more details on any of these events.

## Saturday April 22<sup>nd</sup>

Clare			Learn More
Music Event	Shannon	Café open day with Music Event - open to all young people	<a href="#">Clare Youth Service</a>

Environmental Activities	CAPE Project	CAPE Peer Education Project in Our Lady's College all this week working on sustainable development goals.	
Kildare			
Breaking Down Perceptions of Young People (date to be confirmed)	Newbridge Youth Project (tbc)	The aim of the event is to breakdown the perception of young people in the community. The young people are looking for equality from the adults in the community which they deal with on a daily basis. The plan is to invite people from local businesses, community guards, teachers and others from the community to visit the project to see the work the young people have done and are working on. There will be games; food, music and art work at the event with also some talks from the young people themselves. Our young people feel with inviting adults from the community to their project they are building relationships and showing that not all young people are hanging around and involved in anti-social behaviour. They want to show the positive work they are involved in.	<a href="#">Kildare Youth Services</a>
Kilkenny			
Kare Bears Visits	The O'Neill Centre, Enable Ireland, Kilkenny	16 Transition students who make up the Kare Bear group will visit The O'Neill Centre Enable Ireland Kilkenny. This early intervention service provides a range of therapeutic and day services to children aged between 0-18 years of age. The Kare Bears will play, read stories and interact with the children.	<a href="#">Ossory Youth</a>
Crafts with Kare Bears	Kilkenny	The Kare Bear group will be about in local crèches to do arts & crafts and games with the toddlers	
Limerick
