

ACTIVITIES WHICH ARE COVERED

Please note that for all activities that are covered or for which you may require further cover that you ensure the Youth Club has proper supervision for the participants at all times and that the activities being undertaken by participants are within their capabilities. That volunteers or tutors have the appropriate skills, competency and knowledge. All activities should be planned and appropriate controls in place. Parents should have provided informed consent to either an agreed programme for club nights or by specific consent for offsite and other activities. For some activities further guidance will be available through our offsite and activities guidelines which is in development in 2020, advice can be sought in the first instance from your local contact. If you are organising an overseas trip/visit or exchange please contact our insurers and your local region for advice (Lergas provide good information on foreign exchanges).
